The company

- An Australian resource company 100% owned by public company Silver Mines Limited
- Purchased Bowdens Silver from Kingsgate Consolidated in June 2016
- Currently employs 24 staff

Our objective

To obtain a reliable and cost effective source of principally silver with a proportion of accompanying zinc and lead.

What is being proposed?

- Open cut mine
- Located approx. 2.5km from Lue
- Production of silver/lead concentrate and silver/zinc concentrate for sale and treatment off site
- 2.0 million tonnes of ore processed annually
- Mine life of at least 17 years
- Capital investment ~\$150 million
- Predicted workforce of approx. 200 during construction and 150 in operations
- Potential site access from west of Lue
- Possible realignment of 500kV power lines
